# LEADERS ADVANCE

when heaven  
invades earth  
WITH BILL JOHNSON

## LEADERS ADVANCE 2010

Only when the Kingdom of Heaven invades our earthly reality will we see the church equipped to live "on earth as it is in Heaven". Bill Johnson is one of the leading practitioners in the area of supernatural healing and he believes that we, as Christians, have been called to usher in the Kingdom of Heaven on Earth.

This conference will continue to prepare the church and enable us to live grace-filled lives, empowered by God's Spirit and experiencing an outpouring of Kingdom authority and faith.

## CONFERENCE SPEAKER

### BILL JOHNSON

Bill and his wife Beni are the Senior Pastors of Bethel Church in Redding, California. The present move of God has brought Bill into a deeper understanding of the phrase, "...on earth as it is in Heaven." Heaven is the model for our life and ministry. Learning to recognise the Holy Spirit's presence and how to follow His lead will enable us to do the works of Christ. Healing and deliverance must become the common expression of this gospel of power once again.

Bill and the Bethel Church family have taken this theme for life and ministry. Healings, ranging from cancer to broken bones, to learning disorders and emotional healing, happen with regularity. Bill teaches that we owe the world an encounter with God and that a gospel without power is not the Gospel that Jesus preached.
